

Annual Town Report 2015

Sheylah Davis

Sheylah joined the Rangeley Region Ambulance and served for nine years and became one of the first intermediate EMTs with IV skills in this area. She established the Rangeley Dispatch Center and handled the 911 emergency dispatching for the Rangeley area until it was moved to the Franklin County Sheriff's Office in Farmington. She was a member of Rangeley Fire/Rescue and served for 25 years. For several years she administered the Toys for Tots Program in the area, and operated a weather station for the State Entomology Department. In 1999, she received the Rangeley Lakes Chamber of Commerce community service award, which she was very proud of. Sheylah selflessly served our community for most of her adult life.

*It is with great pride we dedicate this year's
Annual Town Report to Sheylah Davis.
We thank you for your service.*

Jerome "Frenchie" Guevremont

Following an honorable service to our Country in the U.S. Navy, Frenchie worked to help build Rangeley's first sewage treatment plant. He was asked by Town Manager, Oscar Riddle, if he was interested in becoming the Operator. Frenchie then obtained his Waste Water Operator's License. This led to more than 40 years with the Town. He managed the Waste Water Treatment Plant, overseeing the building of the present plant at Chick Hill. This was a job he loved along with the people he worked with, and they all became his second family.

In his employment with the Town he had many roles. When needed, he stepped up to be our Acting Town Manager several times, served on committees and continues to be a huge asset to the Town. He also coached Rangeley kids in little league baseball and high school basketball for several years, and was the Citizen of the Year in 1993.

*The Town of Rangeley is honored to
dedicate this year's Annual Town
Report to Frenchie Guevremont.
We thank you for your service.*

United States Senate
WASHINGTON, DC 20510-1904

Dear Friends:

In November, the people of Maine entrusted me to serve another term in the United States Senate. I am deeply honored to serve you and will continue to work to bridge the partisan divide and to forge bipartisan solutions to the many challenges our nation faces. With the New Year just beginning, I welcome this opportunity to reflect on some of my work from this past year and to highlight some of my priorities for the year ahead.

The biggest challenge facing our State remains the need for more jobs so that Mainers can stay in our great State to live, work, and raise their families. Since small businesses create the vast majority of jobs, we must help them to start up, grow, and succeed. We must update our tax code to encourage small business investment in equipment and other assets, cut the red tape that is hampering job creators, build the transportation and energy infrastructure to support an expanding economy. We must also foster opportunities for key industries, from agriculture to defense. We must ensure that our workers have the skills they need for the jobs of today and tomorrow. These initiatives will remain my top priorities in the new Congress.

I am pleased to report a number of successes from this past year, including provisions from my "Seven Point Plan for Maine Jobs." My proposals to streamline job training programs and better match workers' skills with employers' needs were enacted as part of a workforce investment act. I helped secure promising manufacturing opportunities for our state—from requiring the military to buy American-made athletic footwear for new recruits, just as it does for other uniform items, to an additional Department of Energy investment in the deepwater, offshore wind power project being developed by the University of Maine, Maine Maritime Academy, and private companies. For Maine agriculture, I succeeded in including the fresh, white potato in a federal nutrition program from which it has been the only vegetable to be excluded.

Also last year, I was pleased to join in the christening of the *USS Zumwalt* at Bath Iron Works, a Navy ship for the 21st Century that will help protect our nation and strengthen one of Maine's most vital industries. And, for Veterans living in rural areas, I secured a two-year extension of the successful Access Received Closer to Home program, which is improving access to health care for Veterans in northern Maine. Finally, after several years in the making, I am delighted that Congress has approved my legislation to form a commission—at no cost to taxpayers—on the creation of a National Women's History Museum. A museum recognizing the contributions of American women is long overdue, and this bill is an important first step toward that goal.

In the new Congress, I will serve as Chairman of the Transportation Appropriations Subcommittee. This position will allow me to continue working to ensure investments are made in critical transportation infrastructure, which is essential for our safety and economic growth. To date, Maine has received more than \$90 million for highway, bridge, airport, rail, and port projects through the successful TIGER grant program.

I will also serve at the helm of the Senate Special Committee on Aging in the 114th Congress, a position I sought because Maine has the highest median age in the nation. Working to address pressing issues facing our seniors, from long-term care and retirement security to the vast potential of biomedical research, will be on our agenda. Preventing and effectively treating Alzheimer's should be an urgent national priority as this devastating disease continues to take such a personal and economic toll on more than five million Americans and their families. The Committee will also continue to focus on the scams and frauds targeting our senior citizens and has a toll-free hotline (1-855-303-9470) where seniors and their loved ones can report suspected fraud.

A Maine value that always guides me is our unsurpassed work ethic. As 2014 ended, I continued my record of never missing a roll-call vote since my Senate service began in 1997, a tally that now stands at more than 5,700 consecutive votes.

I am grateful for the opportunity to serve the great State of Maine and the people of Rangeley. If ever I can be of assistance to you, please contact my Constituent Services Center in Lewiston at (207)-784-6969, or visit my website at www.collins.senate.gov.

Sincerely,

Susan M. Collins

RULES AND ADMINISTRATION

Dear Friends of Rangeley:

It has been a privilege to serve the State of Maine since being sworn into the U.S. Senate.

Much of my time in Washington this past year has been devoted to the Senate Armed Services Committee and the Select Committee on Intelligence. Protecting our homeland and the people of Maine from terrorism and violence remains one of my top priorities. Through my work on the Armed Services Committee, I was able to secure several provisions in the 2016 National Defense Authorization Act that benefit Maine. The legislation authorizes the construction of an additional DDG-51 Arleigh Burke Class Destroyer that could be built at Bath Iron Works and expands the HUBZone program to stimulate economic growth at former military installations like the former Brunswick Naval Air Station.

Returning control to teachers, school districts, and states has also been a primary concern of mine. I am encouraged that the Every Student Succeeds Act has become law. It eliminates the burdensome requirements of the No Child Left Behind Act and ensures access to a quality education for all students. A provision I helped author in the bill will give states the opportunity to pilot the use of their own proficiency-based assessments in lieu of federally-mandated standardized tests. Also included in the bill are several measures I secured to promote local input, fund education technology initiatives, and explore new strategies to increase student access to the internet outside of school.

Communities across Maine have taken bold action to improve their broadband connectivity, and I have been proud to foster federal support for these types of projects. My amendments to the Every Student Succeeds Act will promote the type of work already occurring in Washington County, where students who lack broadband access are able to check out mobile hotspots from their local libraries. Additionally, a bill I cosponsored, the Community Broadband Act, helped pave the way for the FCC to enact rules protecting the ability of municipalities to invest in better broadband. I am excited by Maine's leadership on this important economic development issue and will continue to support local efforts in this area.

After extensive negotiations, the Senate passed a five-year transportation bill that will increase highway and transit funding in Maine and provide stability to improve our transportation infrastructure. The legislation contains provisions I cosponsored to cut red tape and improve predictability and timeliness by streamlining the federal permitting process for large infrastructure projects. Also incorporated in this bill are my provisions to relieve financial regulations on Maine's community banks and credit unions and to reauthorize the Export-Import Bank, a critical tool that supports communities and small business across the state.

Following my inquiries in the Energy and Natural Resources Committee, the National Park Service has announced they will begin exploring strategies to allow park visitors to purchase electronic passes online and will pilot the program at Acadia National Park. These passes would improve access to our nation's most treasured landscapes and would generate resources for years to come. I remain deeply engaged in preserving Maine's natural beauty and strengthening our outdoor recreation economy.

It is with solemn responsibility that I have focused my energy addressing the opioid epidemic in Maine. This work includes convening roundtables with a wide-range of health care and law enforcement professionals to combat addiction; introducing a proposal to safely dispose of excess prescription drugs; cosponsoring a

Senate-passed bill that addresses mothers struggling with addiction and the alarming effect it has on newborns; cosponsoring the TREAT Act, which expands the ability of medical specialists to provide life-saving medication-assisted therapies for patients battling heroin and prescription drug addiction; and calling on the Commander of U.S. Southern Command to increase efforts to stop the flow of heroin at our southern border.

I like to think of Maine as a big small town – and in a small town, the leaders are accessible and eager to listen. In that spirit, I’ve made it a priority to stay connected with people from all over Maine who e-mail, write, and call with suggestions or questions. If I can ever assist in your interaction with a federal agency, or you have thoughts, concerns, or personal input on a matter that is currently before Congress I hope you will contact me, let me know where you stand, and engage in this critical part of democracy. Dear Citizens of Rangeley:

Maine has a long tradition of civil participation in both state and local government, and I thank you for being informed and involved citizens.

My vision for Maine is prosperity, not poverty. For this reason, one of my top priorities is the reduction and eventual elimination of the income tax. Some are pushing to raise the minimum wage, but I want Mainers to earn a maximum wage. Reducing the income tax is the biggest and most immediate pay raise for all hard-working Mainers.

Not only does an income tax cut put more money back in your pockets, but it will also attract businesses that can offer good-paying careers to keep our young people here in Maine. It shows the nation that we are serious about wanting people and businesses to come—and stay—in Maine.

Another of my priorities is to lower the cost of student debt in Maine. If young people are struggling with too much student debt, they are unable to afford homes or vehicles. We are now offering programs to help them lower their debt, stay in Maine, begin their careers and start families.

To provide good-paying jobs for our young people, we must also work hard to reduce our energy costs. High energy costs are a major factor in driving out manufacturers, mills and other businesses that need low-cost electricity. I am committed to lowering the cost of energy, not only to attract job creators, but also to allow Maine people to heat and power their homes affordably and effectively.

And finally, we are making progress to address the drug pandemic in our state. It is my most important duty to keep the Maine people safe. While education, treatment and prevention efforts are important, we must get the dealers off the streets. I am pleased the Legislature has finally agreed to fund my proposal for more drug agents to stem the supply of deadly opiates flowing into our communities, but our law enforcement agencies are still understaffed. We must do more.

It is a pleasure serving as your Governor. If ever I can be of assistance to you or if you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at www.maine.gov/governor.

Sincerely,

Dear Friends and Neighbors:

I am so grateful and thankful that you've selected me to represent you in the Maine Senate. I am honored that you've put your trust in me, and I will continue to work tirelessly for the betterment of you and your neighbors, as well as for the great state of Maine. Please let me provide you with a recap of the first session of the 127th Legislature as well as my hopes for the second session, which will begin in January 2016.

The most important item on our to-do list is clear: our state needs more jobs at all levels of the pay scale, so it is our responsibility and my solemn promise to work to expand economic opportunity for all Mainers. To this end, my fellow legislators and I accomplished a great deal during the first session of the 127th Legislature.

We passed a biennial budget that ensured that more Maine families received a tax cut than did in the "largest tax cut in Maine history" in 2011. That same budget stopped taxes on military pensions, so those who have given all that a person can give can feel welcomed and at home in our state. We restructured portions of our welfare system, increasing funding for nursing homes, and put far more funding towards eliminating waitlists for services for brain-injured and intellectually disabled Mainers.

I'm really looking forward to watching how the significant changes we've already made will better the everyday lives of Mainers. I wanted to serve in Augusta because I believe that, while I'm here, I can have an impact on the direction of our district and state. Because of this belief, passing vital legislation (and, sometimes, stopping bad legislation) is so gratifying.

As you know, more changes are necessary. Next year, during the second session of the legislature, we need to make progress towards addressing the cost of energy in this state. There are a number of bills that have been proposed that would change the way our state's energy system works, and I look forward to putting my own energy into legislation that would lower your energy costs. I also believe that working to provide support to areas hard-hit by recent mill closings should be a focus of the 2016 session.

You have my humble and sincere thanks for allowing me to represent you in Augusta. Please feel free to contact me at 287-1505 and drtom16@hotmail.com if you have comments or questions, or if you would like assistance in navigating our state's bureaucracy. I continue to be enthusiastically ready to help you.

Sincerely,

Senator Tom Saviello

Dear Friends,

I would like to thank the residents of Rangeley for allowing me to represent your interests in the Maine State Legislature.

I have been chosen to serve on the Health and Human Services Committee, which shapes upcoming legislation pertaining to MaineCare, Medicaid, children's welfare and mental health services. I am working diligently on your behalf, and will continue to advocate for strengthening the services available for senior citizens and veterans.

I wanted to make sure that the residents of Rangeley are aware of some of the major changes which have gone into place with the new state budget;

2016/2017 Biennial Budget

\$171 million of income tax relief for Maine citizens.

Military pensions are now exempt from state taxes.

Homestead exemption will increase from \$10,000/year to \$15,000/year in 2016 and ultimately \$20,000/year in 2017.

\$80 million in additional funding for Maine schools.

Nursing homes will receive an additional \$2 million with a federal match of \$16 million.

Revenue sharing will continue to be funded at current levels.

As taxpayers, you deserve to know that your money is being spent wisely, so I will continue to fight against wasteful spending. I encourage you to contact me at any time with your questions, concerns or suggestions. It is through your input that I will best be able to represent the extraordinary people who call Rangeley "home."

TOWN OF RANGELEY
Report of the Town Manager

Greetings to the citizens of Rangeley;

Last year was a year of change and transformation within our community. There were several personnel changes including Town Clerk, Finance Assistant, and Code Enforcement Officer, a new Police Officer and Police Chief along with new employees in Public works and the transfer station. The new employees have learned quickly and are doing a great job in their new positions.

2015 was another year of successful projects and accomplishments. The School Street and High Street road construction projects were completed. The Town Park sediment pond project was completed on schedule. At a Special Town meeting the citizens voted to approve monies to renovate the Town Park. A new phone system was installed at the Town Office and a new town website was built and implemented for better customer service.

A new front end loader was purchased with the approval of the citizens at last year's Town Meeting, and the new Public Works Director was hired. A new playground was built and completed in the Oquossoc Park in the early fall. On September 14, 2015 the Town welcomed home one of its local Navy veterans, Lt. JG Neil B. Taylor. Lt. Taylor was brought home and laid to rest with his family after being found almost 50 years after being shot down and losing his life in the Vietnam conflict. The Town showed its true colors of who we really are by coming out in force for a great showing of support to welcome home one of our true American heroes.

Municipal town government continues to become more complex each year with more and more State and Federal mandates and requirements. It's the abilities of our employees, both the Department Heads and Staff that keeps the Town moving forward. Their combined effort, experience and ability to work as a team to promote operational excellence with financial efficiencies help our community accomplish our goals.

A tremendous amount as been accomplished in the past year, thanks in part to a progressive, team-orientated Board of Selectmen, dedicated, hard-working employees, and citizens willing to get involved to understand how municipal government really works.

I would like to thank the Board of Selectmen and all the Town employees for their hard work, dedication and effort, and the citizens for their past and continued support. My staff and I look forward to serving you, the citizens and visitors of Rangeley with a smile and great customer service. My door is always open. If I can help you in any way please stop in and visit, or give me a call.

Respectfully,

Tim Pellerin
Town Manager

TOWN OF RANGELEY
Report of the Police Department

Rangeley Police Department
"Committed to Serving Our Community"
2015

Dear Citizens of Rangeley and Oquossoc,

While I was not your Chief of Police in 2015, it is my pleasure to represent the staff of our agency and to issue our Annual Report.

2015 brought personnel changes to our department. In November, Chief Dennis Leahy retired after nine years of service. We also had some changes to our full and part-time roster.

We had over 1200 reportable calls for service that included 56 motor vehicle crashes and 30 arrests being made. The reportable calls do not include our daily business checks, directed patrols, airport checks or community policing activities, such as visits to our school, attending community events, directing traffic or just welcoming guests visiting our beautiful region for the first time.

I inherited a "Park and Walk" program from the past administration that we will continue and build upon in 2016. The program requires officers to park in our business district and walk a "foot beat". We will be looking to expand that type of presence during the day and add "bicycle patrol" duties for increased interaction with our businesses, visitors and residents.

Our "Property Check" program continues to be a success. Night shift officers do random property checks on closed businesses and leave a notice for the property owner. This program is also being expanded to include more checks and anyone wanting us to do an occasional swing by their property need only stop by the station to let us know. We will be more than happy to check on your property if you plan on taking a vacation or giving yourself a long weekend away.

The Rangeley Police Department continued to have a solid working relationship with our State, County and Federal agencies in our area.

The department had a great year, and I can't help but thank the citizens of Rangeley and Oquossoc for their continuing support.

As we move forward, you can anticipate changes ahead as we strive to offer professional and responsive police services to serve our community's needs.

Respectfully submitted,

Russell C. French
Chief of Police

TOWN OF RANGELEY
Report of the Fire Department

RANGELEY FIRE/RESCUE DEPARTMENT
2015 ANNUAL REPORT

It is with great pride and appreciation that I write this report on behalf of the men and woman who serve with the Rangeley Fire/Rescue Department. I would first like to extend my thanks and appreciation to the citizens, businesses, employees of the Town of Rangeley, and the Rangeley Board of Selectmen for their continued support of the Department and our programs. Without their support the success of reaching our goals and achieving our mission would be impossible.

As Chief of the Department I consider it a true privilege to serve with the dedicated caring men and woman who make up the membership of the Rangeley Fire/Rescue Department. The citizens of the Rangeley Region are very well served and protected by a highly trained and dedicated membership, who are ready to handle a wide variety of emergencies including structure fires, water/ice rescues, back country wilderness rescues, auto accidents, woods/wildland fires, hazardous materials incidents and many other types of emergencies.

Many citizens throughout the community still don't realize that the membership of the Fire/Rescue Department are an on-call force of 30 paid/on-call members who respond from their homes or work, and receive hourly pay only when activated for calls, trainings, or special details. The commitment that is required for a member to be active in the department requires a great deal of sacrifice, dedication, and time. Not only are members required to answer more and more calls each year, they are also asked to participate one night each week for trainings, meetings or equipment checks. They are required to put in many hours of training to maintain their knowledge and skills, and meet the State and Federal mandated training requirements. Many of our members exceed over 100 hours of training each year along with responding to calls and helping with special details.

In 2015 Rangeley Fire/Rescue responded to 165 emergency calls. They included structure fires, automobile accidents, water rescues, wires and trees down, snowmobile accidents, grass and woods fires, smoke detector and carbon monoxide alarms sounding. Training hours for 2015 amounted to well over 1620 individual training hours for the department. Topics included fire behavior, firefighter safety, Incident Command, ropes and Knots, fire suppression, salvage and overhaul, wilderness and snowmobile rescue, water/ice rescue and vehicle rescue and extrication. All our training is required by both Federal and State laws governing the fire service. The basic firefighter certification takes about 75 hours of training, while the advanced program encompasses well over 250 hours. The current membership is full, with a total roster of 30 members. Also in 2015 we conducted fire prevention in the schools and at local Daycares.

I would like to recognize and extend my thanks and appreciation to the families of our members. The sacrifices that the family members give throughout the year are many, from missed birthdays, delayed Christmases, missed holidays and meals, to missed family outings. Without the support of our families none of us would be able to make the commitment it takes to protect our citizens and our community.

I would like to my give my sincere thanks and appreciation to all the members who contribute so much to our operations of this Department all year long. Without your dedication and commitment, none of what we do would be possible. Your efforts have resulted in the Rangeley Region having one of the best, well-trained operating fire departments in the State of Maine.

Lastly, as our demand for service continues to grow, the Department will continue to make the commitment to meet the challenges of our profession. In 2016 and beyond, we will strive to continue to be a leader in the delivery of Fire/Rescue and emergency services by being proactive, professional, and cost effective for our citizens and communities we serve.

Yours in Fire Safety,
Tim Pellerin, Fire/Rescue Chief

TOWN OF RANGELEY
Report of the Finance Department

Finance Department

Treasurer / Tax Collector

Greetings to the Citizens of Rangeley:

The purpose of the Finance Department is to ensure that the financial aspect of municipal government runs efficiently. The Finance Department collects, manages and invests municipal funds under the direction of the Town Manager, to ensure the continuation of consistent, high-quality programs and to provide services to the citizens of the Town of Rangeley. The Finance Department consists of the Treasurer / Tax Collector and the Finance Assistant.

Programs and services provided by the Finance Department include, but are not limited to the following:

- ♦ Financial reporting, analysis, distribution and general oversight of any and all financial transactions on a monthly and daily basis—all month-end financial reports for the Town.
- ♦ Property Tax Bills—updating and maintaining via the computer all tax information on properties by mailing, receipting, collecting, liening, and foreclosing on those properties assessed within the Town.
- ♦ Excise Taxes—collection of excise taxes through registrations for vehicles and boats on a daily basis.
- ♦ Sewer Bills—updating and maintaining via the computer program all sewer information on properties which use Town sewer, then mailing, receipting, collecting, liening and foreclosing of all those properties.
- ♦ Plantation & County Billings—computing, mailing and collecting the fees for services provided by Rangeley to surrounding communities. These fees are collected on a yearly basis.
- ♦ Accounts Payable Processing—paying invoices on a weekly basis. The number of Town invoices paid per week range from 25 to 35.
- ♦ Accounts Receivable Processing—computer and mailing invoices as well as collecting monies that are owed to the Town.
- ♦ Bank & Reserve Accounts—maintaining approximately 16 bank accounts, consisting of checking accounts, reserve accounts and trust accounts.
- ♦ Trust Accounts—various scholarship programs—oversees the funding and disbursement of the bank accounts, and submits recommendations for investing excess funds of the Seasonal Friends Scholarship.
- ♦ Department Finance & Budget Oversight—oversee the general accounting of each department's budget by verifying that entries to those accounts are correctly coded.
- ♦ Parks & Rec Programs—overseeing the receipting of fees for recreation programs and maintain the subsidiary account for fees.

TOWN OF RANGELEY
Report of the Finance Department

- ♦ Registrations – including boat, ATV, snowmobile, etc..
- ♦ Licenses – we are able to provide citizens and visitors with hunting and fishing licenses.

Report of the Solid Waste Department

ANNUAL REPORT

Rangeley Transfer Station for 2015

Dear Rangeley Residents,

It's our 26th year of operations at the Transfer Station and I'd like to thank everyone for their support and participation of our programs and services.

We have three programs to keep hazardous material out of the waste stream. First is the Universal Waste shed which prevents mercury contamination from items like Rechargeable batteries, Fluorescent bulbs, Thermometers, and Thermostats. There is no charge for this so please recycle them. The second program recycles computers, monitors, and TV's. This is mandatory BY LAW and not allowed in the waste stream. Third is our Household Hazardous Waste Day, held every September, for items we don't normally accept. Items containing the words Caution, Warning, Poison, Corrosive, Toxic, Volatile, Flammable, or Danger on the label.

We have had an increase in Household trash (Trash & Bulky Waste) of 93 tons (or 6.71%) going from 1388 tons to 1481 tons. After several years of decreasing, last year we finally saw an increase, and that continues into this year with an even bigger increase.

Meanwhile, recycling has decreased 3 tons (or 2.5%), going from 136 tons to 133 tons. Materials that can be recycled in Rangeley are:

- | | |
|-------------------------|-------------------|
| 1) Corrugated cardboard | 7) Aluminum foil |
| 2) Newspapers | 8) Steel/tin cans |
| 3) High-grade paper | 9) Clear glass |
| 4) Mixed papers | 10) Green glass |
| 5) #2 plastic | 11) Brown glass |
| 6) Aluminum cans | 12) Heavy metals |

Please don't waste the potential value of these resources. It cost us \$98.48/ton to throw them away as trash and only \$71.83/ton to recycle. Please recycle whenever possible and thanks for your support. Our Household Hazardous Waste collection kept 410 gallons of toxic materials out of the state landfill helping to keep Maine's groundwater safe, while the Bargain Barn kept 9 tons of reusable items from being sent out as trash. We also recycled 26 tons of tires.

This year we started recycling Asphalt shingles with the installation of a new cement pad, new container, and safety railings. We are also investigating ways to implement Single-sort recycling.

I would like to thank my co-worker Tom Watkin for doing a great job. To all the residents and businesses that take time to reduce, reuse, and recycle. To the Highway Crew, who keep the road open and sanded in the winter. To Public Works director Joe Roach & Town Manager Tim Pellerin for their support, and to the Rangeley School personnel who help keep the entire school recycling.

REPORT OF OPERATIONS
CHICK HILL POLLUTION CONTROL FACILITY
January 1, 2015 TO December 31, 2015

This is a report to the citizens of Rangeley on the Operation of the Chick Hill Pollution Control Facility. This report also notes that this is the **Nineteenth** year of the Chick Hill Pollution Control Facility, and the **Forty--Fifth** year of public wastewater treatment in Rangeley.

During the period of this report the flows to the Plant amounted to **36,569,266** gallons. This is a per day average of **100,190** gallons. Precipitation recorded at Chick Hill during the same period totaled **38.343** inches, which added **7,193,147** gallons directly into the lagoons. This totaled **43,762,413** gallons available for disposal. During this period we disposed of **30,028,000** gallons in the summer spray program, and **9,593,400** gallons in the winter spray program. This totaled **39,621,400** gallons treated and disposed on the site. Snow for the season totaled **107.691** inches.

The Septic Tank Sludge Disposal Site was used during this period and **402,925** gallons of Septic Tank Sludge was disposed on the site. The site is monitored by the Maine Department of Environmental Protection.

-Plunged Knowledge-

Undesirables

Please know what your disposing of, and its potentially adverse effects on your sewer service and the public sewer system. Absolutely NO wipes of any kind are considered flushable (no matter what the manufactures label states, biodegradable or not). Alternative disposal is strongly urged (trash).

Fats, Oils and Grease are also forbidden in the public sewer system (proper disposal could consist of draining excess into a jar and then wiping the remainder off with a paper towel and tossing it in the trash). We understand that accidents happen, as a matter of fact we experienced that first hand this summer as 6000+/- gallons leached out of the manhole in front of City Cove Reality (the cause was determined to be a partial blockage created by a combination of grease and wipes). I would like to thank those of you that recognized the emergency situation and contacted us. Also a big thank you to the Rangeley fire dept. Bracketts Pumping and the rest of the volunteers for assisting in the cleanup efforts..

Thank you from the staff @ Chick Hill for the opportunity to serve you.

GOALS AND FOCUS OF 2016

Cut down/ Eliminate Undesirables in the waste system

Education - for the Staff and Community as we continue upon the direction of preserving the Waters of Rangeley and surrounding areas..

Another Year and Another retirement

After 35+/- years of service in waste water for the Town of Rangeley, Tom Haggan retired this year (2015). We at Chick Hill would like to thank you for your time and dedication to our facility, community and your work toward maintaining and preserving the high water quality standards in the Rangeley region.

Thank You Tom, well wishes in your retirement.

Public Services Director's Report for the Year Ending December 31, 2015

Greetings Citizens of Rangeley.

The services we provide are essential to a good quality of life for citizens and visitors alike. We take public service seriously, and we aim to keep our roads, parks, transfer station, and other public facilities safe and convenient for your use. This report will highlight the major work we performed this year, in addition to lending a broad overview of the services we provide.

We completed several road projects that have improved usability and durability. McCard Road was rebuilt to improve drainage. Proctor Road was ditched, shimmed and overlaid from Route Four to the gravel section. Loon Lake Road was shimmed and overlaid with two-foot paved shoulders from the Airport to the Transfer Station, and Cross Street was shimmed and overlaid. School Street and High Street were reconstructed.

Routine activities in the Highway group include road grading, pothole patching, brush removal, roadside mowing, culvert replacements, snow and ice control, street sweeping, sign maintenance, catch basin cleaning, hazard tree removal, debris cleanup, fleet maintenance, and traffic striping. We do our best to schedule these functions to coincide with seasonal demands, but sometimes we are at the mercy of the weather.

The new Oquossoc Park playground was installed in October. Public Works staff from all divisions worked together to dismantle the old structure, prepare the site for construction of the new structure, and to erect and landscape the new playground that you see today. We performed a survey of the Town Park ahead of the design work for a significant overhaul scheduled to begin in summer of 2016.

Regular work in the Parks group consists of mowing, trash pick-up, grounds maintenance, hedge and shrub pruning, raking, sweeping, snow and ice control, dock installation and repairs, sign maintenance, light building maintenance, and other work as necessary to keep our parks in excellent shape.

The folks in Public Works are a great group and they deserve a multitude of thanks. They have significant skills, and they also have institutional knowledge that makes their input and experience very valuable to the management and success of the department.

It is my job as the Director of Public Services to oversee the day-to-day activities of each group to maintain our operational focus, and to stress the importance of providing quality service, with a strong emphasis on safety. It is healthy to think about how we can diversify, simplify, and generate efficiency in all of the operations in Public Works. I have also taken on the challenge of planning for our future needs. I can be reached by phone at 864-2294, by email at publicworks@rangelevme.org, or in my office at the Town Office.

Respectfully Submitted,

E. Joseph Roach
Director of Public Services

TOWN OF RANGELEY

Report of the Assessing Department

Assessor's Report

I have enjoyed serving the Town of Rangeley as its Assessor over the last year. I am available at the Town Office two days per week. Please call the office to schedule an appointment. Annually, the Assessor's Office reviews valuations and makes adjustments to the valuations that include any additions and deletions. We are also responsible for maintaining accurate records of property ownership. Part of the assessment process includes conducting an annual "ratio study", which compares the actual selling price of property to assessments. The most recent study conducted for the state valuation purposes indicated the assessed values, on average, to be at approximately 100% of market value.

PROPERTY TAX EXEMPTIONS AND PROPERTY TAX RELIEF

HOMESTEAD EXEMPTION CHANGES FOR 2016 (TY17)

Beginning in 2016 (TY17) the homestead exemption will increase from \$10,000 to \$15,000. To qualify, homeowners must fill out a simple form declaring property as their principal residence by April 1 in the tax year claimed. Once the application is filed, the exemption remains until the owner sells or changes their place of residence. Forms are available in the Assessor's Office.

VETERANS EXEMPTION

Any person who was in active service in the armed forces of the United States during a federally recognized war campaign period and, if discharged or retired under honorable conditions, may be eligible for a partial exemption from taxes on their primary residence.

The Veteran must have reached age 62 or must be receiving a pension or compensation from the United States Government for total disability, either service or non-service connected.

IMPORTANT CHANGES FOR VETERANS EXEMPTIONS IN 2016, the Law was amended to remove the requirement that a Vietnam veteran serve on active duty for 180 days (any part of which must have occurred after February 27th, 1961 and before May 8th, 1975) in order to qualify for the exemption. The law now only requires that the veteran served on active duty after February 27th, 1961 and before May 8th 1975, regardless of number of days. **Veterans that previously did not qualify under the old law requirements that now qualify under the new law requirements must re apply to the Assessor's office prior to April 1st of the year it will go into effect.*

Applications forms can be obtained in the Assessor's Office and must be filed with military discharge documentation on or before April 1st of the year it will go into effect.

BLIND EXEMPTION

Residents of Rangeley who are certified to be legally blind by their eye care professional are eligible for a partial exemption from taxes on their primary residence in the town.

Respectfully Submitted,
Robert Duplisea CMA
Assessor

TOWN OF RANGELEY
Report of the Planning Department

**REPORT OF THE RANGELEY
CODE ENFORCEMENT DEPARTMENT
January 1, 2015 – December 31, 2015**

Dear Citizens of the Town of Rangeley,

The Code Enforcement Department is responsible for codes enforcement, building inspection, and E911 addressing. The Department provides staff support to the Planning Board, Zoning Board of Appeals and Ordinance Committee. It also maintains records on building permits, plumbing permits, E911 addressing, subdivisions and conditional use permits.

The Town of Rangeley is continuing to grow despite the hard economic times. A total of 11 new dwelling units were permitted in the past year. Additions to living space, garages, and decks and sheds continue to be the most popular residential additions to property. During the 2015 calendar year the following permits were issued:

January 1 – December 31	2015
Residential Dwelling	11
Commercial	0
Addition	5
Garage	5
Accessory Structure (e.g. Shed, Deck)	7
Alteration/Renovation	31
Demolition	2
Shoreland	0
Foundation Replacement/Addition	4
Sign	0
Recreation Vehicle	0
Dock	7
Barn	2
	74

An amendment to the Town's building code ordinance was approved at Town Meeting in June 2012, adopting the Maine Uniform Building and Energy Code (MUBEC) effective July 1, 2012. This means that the construction standards in Rangeley will be the same as in other Maine cities and towns that enforce a building code.

There are many permits required for building projects: some local and some state. In general you do not need a permit for normal maintenance repairs or to replace roofing, siding, windows and doors (as long as in the same size opening), jacking or to build a fence (under 6' high). Always check with me before you start work. I am available five days a week and tend to be in the office in the mornings and schedule site visits and inspections in the afternoons. I welcome appointments in order to guarantee that I can meet with you to discuss your project.

Respectfully submitted,
Robert T. Folsom, Sr.

Article 4: \$1,257.16	Article 8: \$2,575.01	TOTAL: \$38,430.30

**ARTICLES 13 THROUGH 14
RAISE FUNDS FOR THE PROPOSED SCHOOL BUDGET**

ARTICLE 13: To see what sum the Regional School Unit will appropriate for the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and to see what sum the Regional School Unit will raise and assess as each municipality's contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act in accordance with the Maine Revised Statutes, Title 20-A, section 15688.

Recommended amounts set forth below:

Total Appropriated (by municipality):		Total Raised (and Regional School Unit assessments by municipality):	
Dallas Plantation	\$ 317,585.74	Dallas Plantation	\$ 300,991.07
Magalloway Plantation	\$ 137,128.82	Magalloway Plantation	\$ 129,963.49
Town of Rangeley	\$ 1,613,280.27	Town of Rangeley	\$ 1,528,982.24
Rangeley Plantation	\$ 155,796.78	Rangeley Plantation	\$ 147,656.00

TOWN OF RANGELEY
RSU 78

Sandy River Plantation	\$	80,894.49	Sandy River Plantation	\$	76,667.55
Total Appropriated			Total Raised		
(sum of above)	\$	2,304,686.10	(sum of above)	\$	2,184,260.35

Explanation: The Regional School Unit's contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act is the amount of money determined by state law to be the minimum amount that the Regional School Unit must raise and assess in order to receive the full amount of state dollars.

ARTICLE 14: (Written ballot required.) To see what sum the Regional School Unit will raise and appropriate in additional local funds (**Recommend \$1,521,677.51**), which exceeds the State's Essential Programs and Services allocation model by (**Recommend \$1,432,363.42**) as required to fund the budget recommended by the School Board.

The School Board Recommends \$1,521,677.51, which exceeds the State's Essential Programs and Services allocation model by \$1,432,363.42. The School Board gives the following reasons for exceeding the State's Essential Programs and Services funding model: The State's funding model does not address the reasonable costs of rural schools.

Explanation: The additional local funds are those locally raised funds over and above the Regional School Unit's local contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and local amounts raised for the annual payment on non-state funded debt service that will help achieve the Regional School Unit budget for educational programs.

ARTICLE 15 SUMMARIZES THE PROPOSED SCHOOL BUDGET

ARTICLE 15: To see what sum the Regional School Unit will authorize the School Board to expend for the fiscal year beginning July 1, 2016 and ending June 30, 2017 from the Regional School Unit's contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act, non-state-funded school construction projects, additional local funds for school purposes under the Maine Revised Statutes, Title 20-A, section 15690, unexpended balances, tuition receipts, state subsidy and other receipts for the support of schools. **School Board Recommends \$3,881,460.40**

**ARTICLE 16 AUTHORIZES THE EXPENDITURE OF
GRANTS AND OTHER RECEIPTS**

ARTICLE 16: In addition to amounts approved in the preceding questions, shall the School Board be authorized to expend such other sums as may be received from federal or state grants or programs or other sources during the fiscal year for school purposes, provided that such grants, programs or other sources do not require the expenditure of other funds not previously appropriated?

A REPORT FROM MAINE FORESTRY MUSEUM

Our transition year 2015, from the Rangeley Lakes Region Logging Museum, to our new name "MAINE FORESTRY MUSEUM" was to say the least, interesting. Our new name and direction was received well when the reasons were understood for the change. We have benefitted in many ways already and we hope the trend continues.

We want to thank the town voters who have continued to be most supportive by their positive votes for funds we requested in 2015. We hope that you will wave your voting card for that approval again this year.

Our 2016 year events are as follows:

JUNE 21st OPEN HOUSE..... Celebration of Basement Project Completed
JULY 2nd LIVE AUCTION.... Annual funds for operational costs
JULY 29/30 FESTIVAL /PARADE.....Weekend of events
AUG 27th MFM'S FORESTRY CELEBRATION.... (New and special)
OCT 1st APPLE FESTIVAL Part of the Rangeley Oktoberfest

We will have news and press on all the events, however, we want to ask for support in getting names for the last "Loggers Hall of Fame" induction. It will be one part, of many, at the Forestry Celebration on Aug 27th. We are making a major effort now to induct those loggers that worked in the woods in the "hands on" era (1950's or before) of logging. This will be a mass induction that we hope will not leave out loggers that rightfully should be among all those now in the Hall of Fame. Past inductions have been at the rate of just one or two per year. However, factors of age and health of many who are still in need of this recognition precludes having just a few each year. Please help by informing us of any logger you feel should be among that group. Without the community input we will be handicapped to meet success. Call 864-3939 or e-mail address < maineforestry@gmail.com >

You will have a great chance to see the major changes made this winter at the MAINE FOREST MUSEUM at the open house. Otherwise, come when the museum is open: Wed June 22nd to Sunday Sept 4th, Wednesday thru Sunday 10AM to 4PM. The Fall schedule will be shortened a day starting Thursday Sept. 8th to Sunday Oct. 2nd.

B19 (Page 4 of Warrant)

The Municipal Property Tax Levy Limit regulates the amount of money that municipalities can raise through property tax. It applies only to property taxes used for municipal operations (road maintenance, libraries, parks and recreation, etc.). It does not apply to property taxes raised for schools, counties, TIFs, or the overlay. The limit allows a municipality to increase property taxes, but only by an amount equal to the growth of statewide personal income plus local property development within the municipality. The limit is adjusted downward if a municipality receives extra money from the State that it can use instead of property taxes.

B20 (Page 4 of Warrant)

If approved, the 2017 Town Meeting would be structured with 2 Public Hearings followed by a secret ballot election. One Public Hearing would be for the citizens to make recommendations to the Board for the upcoming Warrant Articles. The second would be for the Board to inform citizens of approved Warrant Articles to be included on the secret ballot. The election would follow and would consist of polls opening at 8AM to 8PM at the Town Office. This type of Town Meeting allows for absentee voting and is more accessible to a greater number of registered voters. If any operating budget article does NOT pass, that department will be given the equivalent of 3/12ths of the prior year's approved budget to allow time for a Public Hearing to adjust the budget. We will then host a Special Town Meeting to vote by secret ballot to see if the amended budget will pass.

When budgeting, it is important to consider what amounts should be used to lower taxes. It is suggested that actual revenues received in the preceding full year are used to base the budgeted revenue and usage of fund balance on (meaning for FY17, actual numbers from FY15 would be used). This recommendation is based on the fact that prior to the close of the current fiscal year, the total amounts of revenues received and the amounts slated to carry forward are not available, nor have those numbers been audited at the time the new budget is being determined.

Article 25.4 Clerk's Certification

Within ten (10) days of receipt of the petition the Town Clerk shall certify the signatures contained on the petition and shall determine if the petition meets all of the procedural qualifications as set for the in Article 25.3 of this ordinance and has set forth grounds for removal in compliance with Article 25.8. Should the petition be found insufficient, the petition shall be filed in the Town Clerk's office and the voter who filed the petition shall be notified.

Article 25.5 Calling the Recall Election

- a. If the petition is certified by the Town Clerk to be sufficient, the Town Clerk shall submit the same with his or her certification to the Board of Selectmen at the next meeting and shall notify the person or persons whose removal is being sought of such action.
- b. The Selectmen, upon receipt of the certified petition, within ten (10) days, shall order an election by secret ballot pursuant to 30-A MRSA 2528 to be held not less than 45 nor more than 60 days thereafter, unless a regular municipal election is scheduled to be held within 90 days of receipt of the certified petition and in this case the recall election shall occur on the date of the regular municipal election.
- c. In the event that the Selectmen fail or refuse to order an election as herein provided the Town Clerk shall call the election to be held not less than 45 days nor more than 60 days following the Selectmen's failure or refusal to order the required election, except as set forth in Article 25.5(b) above.
- d. If at any time between the time of ordering the election and the date of the election the person whose recall is sought requests a public hearing, the Selectmen shall promptly schedule such a public hearing on the recall election.

Article 25.6 Ballot for Recall Election

Unless the official(s) whose removal being sought resigns within ten (10) days of receipt of the certified petition by the Board of Selectmen, the ballots shall be printed and shall read:

**RULES AND REGULATIONS
TOWN OF RANGELEY CEMETERIES
(Evergreen, Wilbur/Gile, Nile Brook & School House)**

In accordance to the Town of Rangeley Code, Chapter Town Cemeteries, Section 1 "In accordance with MRSA 13, Section 1301, the Board of Selectmen, in consultation with the Town Manager, shall establish rules and regulations governing the Town of Rangeley Cemeteries".

GENERAL PROVISIONS

1. Definition

"Supervisor" (Cemetery Sexton) shall be an individual designated by the Town Manager who will be responsible for the day-to-day activities and maintenance of the Town of Rangeley Cemeteries.

2. Duties of Supervisor

The Supervisor shall be entrusted with and be responsible for all Town property used in the cemetery operations and for the maintenance of such cemeteries; shall be subject to the direction of the Town Manager designee and shall administer the provisions of the chapter.

3. Supervisor's Authority

Any person willfully violating any of the provisions of this Chapter or any cemetery rules and regulations may be ordered to leave or be ejected from the grounds by the Supervisor. Any such person refusing to leave when so ordered to leave shall be reported to the local authorities.

4. Decorations Restricted: Improper Monuments

- A. Monument and marker size, construction (design and material) and placement on a lot are subject to the approval of the Supervisor. Permission must be secured before placement on any lot.
- B. Flowers or plants can be planted in the ground on a cemetery lot.
- C. Plants can be in a container not so large that cemetery personnel cannot move them to mow and trim around cemetery monuments.
- D. No glass jars or bottles will be allowed as plant pots.
- E. All concrete planters shall have live plants in them or they will be removed and taken to the cemetery maintenance building.

TOWN OF RANGELEY

10. No snow machines or all terrain vehicles (ATVs) will be allowed on cemetery grounds at any time.
11. An adult must accompany children under the age of 15 at all times.
12. Kindle no fires within the boundaries of Town Cemeteries (this rule does not apply to maintenance personnel)

B. All dogs within any cemetery shall at all times be controlled by the means of a leash. Any feces deposited by any dog in any Town Cemetery shall be immediately removed by the owner and disposed of in a safe and healthful manner.

C. No signs or posts may be placed on any cemetery lot

D. Any cemetery lot owner shall not remove veteran's markers. They must be removed, repaired, or relocated only with the prior approval of the Cemetery Supervisor. Veteran's Grave markers are the property of the American Legion and Veterans Administration.

E. The speed limit in all cemeteries is 5 MPH

7. Injuring Monuments

No person shall willfully destroy any tomb, grave stone, monument or other object placed or designed as a memorial to the dead, or any fence, railing or other thing placed about or enclosing a burial place or willfully injure, remove or destroy any tree, shrub, or plant within such enclosure.

8. Cemetery Hours

Town Cemeteries shall be closed to the public between sundown and sunrise. Town Cemeteries will also be closed during the winter months. No person shall enter said cemeteries by vehicle after December 1st and before the removal of the gates in the spring except by permission of the Supervisor or the Town Manager Designee.

9. Private Cemeteries with the Town of Rangeley

Private cemeteries are not allowed within the town limits or the Town of Rangeley.

BURIALS

10. Burial Permits and Authorization

A. No interment or disinterment of any dead human body shall be made without a permit from the proper authorities.

B. No person, except for the Supervisor, or his assistant acting on his/her behalf, shall

TOWN OF RANGELEY

bury or cause to be buried, or moved, the body of any deceased person in any Town Cemetery.

C. Removals or changes of bodies from one gravesite to another within any Town of Rangeley Cemetery will only be allowed after written consent as been obtained by the Supervisor.

11. Records of Burial

The Town Clerk shall record and maintain a record of each interment made within the town limits, together with the name, age, sex, date and place of death, date and place of burial and the number of the lot or tomb and section where buried. Such record shall be kept safely and with the utmost care in the Town Office.

12. Burial Hours

All burials will be scheduled with the Supervisor with as much notice as possible. Any requested winter burials will be strictly at the discretion of the Supervisor and will be determined by the frost depth and/or excessive snow on the ground that would prohibit entry in the cemetery and hinder a grave opening.

13. Burial Fees

The expense for burial services is set forth in the Town of Rangeley Fee Schedule.

14. Supervision of Burials

The Supervisor shall see that all burials in town cemeteries are made in proper conformity to the ranges and division of such cemeteries.

15. Burial Receptacles and Cremains Scattering

All burials shall be made in outer burial containers (vault or liners). These containers are subject to the approval of the Supervisor and applicable laws in the State of Maine.

1. Adult burials shall be made in outer burial containers (vault or liner) constructed of steel, concrete or stone.
2. Small children and baby burials shall be made in puncture proof rigid outer burial containers made of concrete, stone, steel or fiberglass that is designed to resist deterioration.
3. Containers for ground burials of cremains shall be in at the discretion of the lot owner.

The scattering of cremains over a cemetery lot is permitted, but is subject to the following procedures and restrictions:

1. A proper cremation certificate must be presented to the Supervisor and written approval must be granted prior to scattering the ashes.

TOWN OF RANGELEY
2016 Warrant Article Information

2. Cremains must be scattered on a lot in the town cemetery. Written permission from that lot owner must be obtained prior to scattering.
3. The scattering of cremains must be in accordance with State Law.
4. Cremains must be released as close to the ground as possible to prevent drift.

16. Monument Delivery

Scheduling for a monument delivery is the responsibility of the family. Scheduling will be done through the Supervisor or the Town Manager Designee at least a week in advance of the monument delivery. Scheduling needs to be done with the Supervisor or the Town Manager Designee prior to confirming delivery with the monument contractor.

17. Burial of Unembalmed Remains

For reasons of sanitation, a licensed embalmer must embalm all deceased human remains interred in any cemetery owned by the Town of Rangeley unless cremated. Unembalmed remains may not be stored in the town-receiving vault while awaiting burial.

CEMETERY LOTS

18. Laying out of Cemetery Lots

It shall be the duty of the Supervisor to lay out in Sections and/or ranges, divided into lots of suitable size, and with avenues of such width for the passage of vehicles, on cemetery land hereafter purchased or acquired by the Town for the use of the burial of the dead.

19. Map of Cemetery Layout

The Supervisor shall maintain or procure a map or plan of said town cemeteries, with the sections and/or ranges and lots properly designated and numbered and place the map on file for the use of the town. It shall also be the duty of said Supervisor, with the assistance of the Town Clerk to have at all times a correct map of said cemeteries showing the location and number of each lot and the name and location of every person buried therein. The Supervisor shall keep these maps current and correct with the assistance of the Town Clerk.

20. Lot Prices

When available in any town cemetery lots shall be sold at the rates set forth in the Town of Rangeley Fee Schedule, payable in advance to the Town of Rangeley, after which the Town Clerk is authorized to execute and deliver a legal title therefore.

The Town Clerk shall collect the proceeds of such sales of lots. Such proceeds shall be applied solely to the management, superintendence, improvement and maintenance of the cemeteries and the avenues, paths and structures situated therein, for the purchase of additional cemetery land and for the accumulation of a permanent care and improvement fund.

TOWN OF RANGELEY
2016 Warrant Article Information

Any person wishing to purchase a lot in any town cemetery should contact the Town Clerk at the Town Office.

21. Restriction of number of lots to be sold

The Town of Rangeley, through the Supervisor, limits the sales of cemetery lots to any one individual to 5 lots. Family plots will be purchased through multiple purchases of each single-family member. The Town does not guarantee that a large plot or section of the cemetery will be reserved for family plots.

22. Resale of Cemetery Lots

Resale's or conveyances and purchases by the town will in accordance with the following:

1. No person shall sell any burial lot in a town cemetery except to the Town of Rangeley.
2. The town shall pay for the lot the full price at which the lot was originally purchased. Upon repurchase, the Town will give no refund to the owners of existing lots who wish to resell them to the Town for perpetual care already purchased by the sellers.
3. No person shall transfer or convey any burial lot in a town cemetery except to a family member or to the Town of Rangeley. Transfers to family members need to be done in conjunction with the Town of Rangeley for proper documentation.
4. Exception may be considered for special circumstances. All exceptions will be at the will of the Supervisor and the Town of Rangeley.

23. Perpetual Care

Perpetual care will be obtained on any lot or parcel within any cemetery under the jurisdiction of the town. Perpetual care rates will be set forth in the Town of Rangeley Fee Schedule.

24. Annual Maintenance

The Supervisor and cemetery staff under the direction of the Town Manager Designee will perform annual maintenance. The Supervisor is responsible for all burials and maintenance within all Town Cemeteries. Maintenance of the cemeteries shall include but is not limited to:

1. Digging all graves, preparing them for burial service and restoring them to their original appearance afterwards.

In the winter months when the cemeteries are closed, deceased are interred in the cemetery receiving vault. They are to be held until weather permits burial in the

22.5	<u>Quiet-hours construction permits</u>	22.6	<u>Special Sounds Permits</u>
22.7	<u>Appeal or Denial of Special Sound Permits</u>	22.8	<u>Violations and Penalties</u>

Article 22.1 Purpose:

Noise - The purpose of this Ordinance is to protect, preserve and promote the health, safety, welfare and quality of life of the citizens of Rangeley through the reduction, control and prevention of excessive noise. In addition to 29-A M.R.S.A. §§1912, 2079, 2079-A, as may be amended from time to time (regarding motor vehicles); 12 M.R.S.A. § 13070, as may be amended from time to time (regarding airmobiles) the following shall apply:

Article 22.2 Definitions:

Unreasonable noise shall mean any excessive or unusually loud sound that either annoys, disturbs, injures or endangers the comfort, repose, health, peace or safety of a reasonable person of normal sensibilities within the Town. Elements to be considered in determining whether noise is excessive in a given situation include, but are not limited to, the following: intensity of the noise, whether the noise is usual or unusual, whether the origin of the noise is natural or unnatural, the intensity of the ambient noise, the proximity of the noise to sleeping facilities, the zoning district within which the noise emanates, the time of the day or night the noise occurs, the duration of the noise, whether the noise is continuous or intermittent, and whether alternate methods are available to achieve the objectives of the sound producing activity.

Person shall mean any individual, firm, partnership, association, syndicate, company, trust, corporation, municipality, agency or political, administrative or legal entity of any kind.

Plainly Audible shall mean any sound that can be detected by a person using his or her unaided hearing faculties. For example, if the sound source under investigation is a portable or personal vehicular sound amplification or reproduction device, the enforcement officer need not determine the title of a song, specific word or the artist performing the song. The detection of the rhythmic base component of the music is sufficient to constitute a plainly audible sound.

Article 22.3 Prohibitions:

General Prohibitions. No person or persons shall make, cause to be made, assist in making or continue any excessive, unnecessary or unreasonable noise or disturbance, or any noise or disturbance that disturbs, destroys, or endangers the comfort, health, peace or safety of others within the immediate vicinity of the noise or disturbance, especially between the hours of 10:00PM and 7:00AM.

Specific Prohibitions. The commission of one or more of the following acts shall be deemed a violation of this Ordinance and shall be considered a noise disturbance and public nuisance, provided that the instrument, device, vehicle or other noise source is plainly audible from (a) the property line of the premises from which the noise emanates if the noise is from a fixed location; or (b) a distance of fifty feet (50') from the building, structure, location or vehicle from which the noise emanates, whichever distance is greater:

1. **Horns and Signaling Devices.** The repeated sounding of any horn or signal on any automobile, motorcycle or other vehicle except as a danger warning; the creation, by means of any other signaling device, of any unreasonable loud or harsh sound; and the sounding of any such device for unnecessary and/or unreasonable periods of time.

2. **Mobile, Portable or Outdoor Electronic Sound-producing Devices.** The playing or use of a mobile, portable or outdoor electronic sound-producing device in such a manner or with such volume at any time and place as to disturb, destroy or endanger the comfort, repose or peace of persons.

3. **Radios, Musical Instruments and Phonographs.** The playing, using or operating of any radio, musical instrument, or other machine or device for the production or reproduction of sound in such a manner as to disturb the peace, quiet, comfort or repose of any other persons in the vicinity with a volume louder than is necessary for the reasonably convenient hearing for the person or persons or voluntary listeners thereto who are in the immediate vicinity, vehicle or chamber in which such machine or device is operated between the hours of 10:00 PM and 7:00 AM or at any time so as to annoy or disturb the quiet, comfort or repose of any persons located within or upon the premises of any office, dwelling, hotel or other type of residence or business.

4. **Vocal disturbances.** Yelling, shouting, singing, hooting and whistling between the hours of 10:00 PM and 7:00 AM or at any time which makes an unreasonable noise which annoys or disturbs the quiet, comfort or repose of any persons located within or upon the premises of any office, dwelling, hotel or other type of residence or business.

5. **Vehicular Noise.** Vehicles used, operated, or revved in such a manner as to create loud and unnecessary noise that is audible above background sounds and that disturbs the peace and quiet of others.

6. **Exhaust.** The discharge into the open air of the exhaust of any steam engine, internal combustion engine, motorboat, or motor vehicle, except through a muffler or other device that will effectively prevent loud or explosive noises therefrom.

7. **Parties and Other Social Events.** It shall be unlawful for any person in charge of a party or other social event to allow that party or event to produce unreasonable noise. A person shall be deemed to be in charge of a party or social event when that event occurs on private property and the person is present at the event and

resides on the premises involved or is a person who lives in or on the premises involved and who has authorized the use of the premises for such event.

Animal Noise Prohibitions. Except as provided in subparagraphs 1 and 2 below, no owner shall permit or allow any animal to bark, howl or make other sound common to its species if such sounds recur in steady, rapid succession for 20 (twenty) minutes or more or to recur intermittently for one hour or more.

1. Shall not apply if any animal is provoked by trespassing people or animals on private property on which the animal is situated or by other legitimate cause for provocation.
2. Shall not apply to farm animals kept on property the principal use of which is the production of farm products, or to commercial kennels.

Article 22.4 Exemptions:

The following shall be considered exempt from this Ordinance:

1. Any person who has obtained a Special Sound Permit from the Town.
2. All signaling devices, safety signals and warning devices required by state, federal, or local law; all signaling devices, safety signals and warning devices installed pursuant to manufacturer's specifications; or any other device used to alert persons to any emergency or used during the conduct of emergency work including, but not limited to, police, fire and medical/rescue vehicle sirens.
3. Any vehicle owned by and operated by federal, state or local government or a utility in the performance of its duties.
4. Any government or utility emergency repair.
5. Noise associated with a bona fide response to an emergency situation that poses a threat to the public health, safety or welfare.
6. Musical, recreational and athletic events conducted by and on the site of a school or municipal facility.
7. Equipment for maintenance of lawns and grounds during the hours of 7:00 A.M. to 10:00 P.M. (including, but not limited to, lawn mowers, hedge trimmers, weed trimmers, chain saws and leaf-blowers).
8. Noise associated with routine snow removal activities where customary practices and equipment are used and where the snow removal equipment is operated within the manufacturer's specifications and in proper operating condition.

9. Any activity or conduct, the regulation of which has been preempted by federal or state law.

10. Logging and commercial trucking companies.

Article 22.5 Quiet-Hours construction permits

The Code Enforcement Officer may issue or renew a quiet-hours construction permit only upon finding that:

1. The public health and safety will not be impaired by said construction between the hours of 10:00 p.m. and 7:00 a.m.
2. All quiet-hours construction permits shall meet the following provisions:
 - a. The permit shall expire when the urgent necessity ceases to exist, regardless of the term of the permit.
 - b. The length of any one permit may not exceed three days.
 - c. Permits may be renewed in additional three-day increments.
3. The Board of Selectmen may set permit fees from time to time. No permit shall be issued except upon payment of the applicable fee, if any.

Article 22.6 Special Sound Permits

Any person may apply to the Town Manager for a Special Sound Permit to authorize the production or generation of noise that would otherwise be in violation of this Ordinance prior to engaging in such activity. Any request for such a permit must be made at least forty-eight (48) hours before the time the intended noise-producing activity will commence. The Town Manager or his designee has the authority to grant or deny a Special Sound Permit, but the decision shall be made subject to the following standards:

1. The activity producing the noise must be an event that occurs infrequently on the premises for which the Special Sound Permit is requested.
2. The applicant may not receive more than two (2) Special Sound Permits for any particular premises in any twenty-eight (28) day period.
3. Reasonable conditions may be imposed on the Special Sound Permit.

Article 22.7 Appeal of Denial of Special Sound Permit

TOWN OF RANGELEY
2016 Warrant Article Information

Rangeley Town Code

An applicant may appeal the denial of a Special Sound Permit to the Board of Selectmen. Such an appeal must be filed within ten (10) days of the denial of the permit. The Board of Selectmen shall conduct an administrative hearing on the appeal. In the event such an appeal is not satisfactorily resolved before the Board of Selectmen, the applicant may appeal the Board of Selectmen's decision to Superior Court in accordance with Rule 80B of the Maine Rules of Civil Procedure.

Article 22.8 Violations and Penalties

A violation of this Ordinance shall be a civil violation.

Any municipal officer or their designee or any sworn law enforcement officer of the Rangeley Police Department or their designee may issue a civil violation complaint, in the same manner as would be the case with a parking violation, to the individual responsible for any such device emitting sound in violation of this Ordinance, including the driver of a motor vehicle, or the registered owner of the vehicle, the owner of record of a residence, the proprietor of a business or the person who is in physical control of the device responsible for the unreasonable or excessive noise. Actions shall be prosecuted in Maine District Court located in Farmington in accordance with Rule 80H of the Maine Rules of Civil Procedure.

For any first violation of this Ordinance, there shall be imposed a civil fine or penalty in such amount as specified in the Rangeley Fee Schedule, as established by order of the Board of Selectmen and as amended by the Board of Selectmen from time to time. Each subsequent violation within a two (2) year period from the date of the first violation shall carry with it a civil fine or penalty of double the prior penalty. A violation-free period of two (2) years shall return the penalty to the minimum.

In addition to civil penalties for any violation hereof, the District Court shall require the violator to pay the Town's reasonable attorney's fees and costs incurred in connection with prosecution of the enforcement action.

A person charged with a violation of this Ordinance may admit the violation and avoid the necessity of further legal action by payment of a waiver fee to the Town in the amount of the minimum fine for the violation; provided, however, that the violation(s) alleged in the civil violation complaint shall be deemed admitted for the purpose of assessing any future penalties under this section. Upon receipt of such payment to the Town, the Town shall cause the complaint to be dismissed. Failure to pay the waiver fee within seven (7) days from the date of issuance of the complaint shall result in further enforcement action, including, without limitation, liability for the full amount of the fine for the violation and any other appropriate relief.
