Amended Improvement

Describe in detail the work you are doing and how it differs from the approved permit (for example: changing the location on the property; adding additional square footage, changing the foundation type, etc). Use a separate sheet if necessary.

Building Plans

Please include any updated plans that are relevant to the amendment. This can include a site plan, floor plans, elevations, foundation plan, wall section detail, etc.

Describe any changes in materials being used for the project, this includes but is not limited to foundation system type, structural framing elements, and insulation. Use a separate sheet or submit an update page 3 of the Building Permit Application if necessary.

I hereby certify that the proposed work is authorized by the owner and that I have been authorized by the owner to make this application. I agree to complete any additional applications and/or provide relevant information required by the Code Enforcement Office to receive approval. I also certify that the information provided is accurate to the best of my knowledge and agree to conform to all applicable laws of this jurisdiction.
