Sketch of Mooring Location (one mooring per 50 ft of shoreline):
Mooring Anchor: (Helical/Mushroom/Block)
Mooring Chain Size: (1/2", 3/4")

1. Permits are non-transferable.
2. Mooring Permit is \$210 for the first three years followed by \$150/mooring every three years thereafter. Payment must be received by July 1st of the permitting year.
3. Location of all moorings shall be assigned by Code Enforcement. The Permit Holder is responsible for setting moorings and adjustments as required for the safety of moored-boat and adjacent boat moorings.
4. **State Law: Mooring numbers must be in black 3-inch or larger sticker numbers. All moorings must be a white mooring buoy displaying a visible blue horizontal stripe above the waterline. White buoys with blue stripes may be purchased locally at the Oquossoc and Rangeley Marinas as well as Boss Powersports.**
5. Neglected, abandoned or unauthorized moorings (including but not limited to, unpaid fees, or wrong location) shall be removed under the direction of Code Enforcement. Any expense incurred will be borne by the person responsible for its placement.
6. Mooring holders must attest to a self-inspection, acknowledging that the mooring is in safe, working condition.
7. Violation of any of the above rules as stipulated may result in the forfeiture of all permit and lease privileges. See Ordinance Chapter 38.12 for the Rangeley Mooring Code.
